MY FIRST MONTH IN OFFICE

I have now been in the role as your Police and Crime Commissioner for just over a month, and so far have found it to be an extremely fast-paced, challenging yet exciting job.

It has been fascinating to learn more about the great work Northamptonshire Police undertake each and every day. No police officer can ever predict what will happen when they go on shift and it has been a privilege to see at first hand the courage and professionalism of our officers.

I have been very clear that I will protect frontline policing in Northamptonshire. Also, following the success of National Specials Weekend, I have reaffirmed my support to Northamptonshire Police's Special Constabulary. The strategic use of Special Constables will be an important priority for my term in Office. I want to see a focus on maintaining the number of volunteers policing the county at a ratio of approximately one special constable to two full-time police officers.

I am currently developing my Police and Crime Plan, which will set out my aims and ambitions as Commissioner to make Northamptonshire safer. One of my key priorities is to ensure our children are safe and protected. I would also like to see a greater use of technology to enable more officers to be out on the front line, rather than stuck in stations filling out paperwork, and to combat issues such as the exploitation of children, domestic violence and online crime.

Most importantly, I want the people of Northamptonshire to have trust and confidence in both the Police and the Office of the Police and Crime Commissioner. Should you wish to contact me regarding any concerns you may have, please email me at Commissioner@northantspcc.pnn.police.uk, or should you wish to report a crime please phone 101 or 999 in an emergency.

DEAR NEIGHBOURS / FRIENDS

With summer holidays fast approaching, individuals are often more exposed to travel booking frauds when looking for last minute package deals / cheap flights. Whether paying upfront for a family holiday or simply booking a flight, payments are transferred only to discover that the holiday / airline ticket does not exist and was sold to you by a bogus travel company. Fraudsters will often lure in potential customers with low prices and 'one time only' offers that are simply too good to pass up, requesting payment by the preferred method of direct bank transfer.

Avoid paying for a holiday / airline tickets / accommodation via direct bank transfer. No reputable company will ever request payment via this method. Don't respond to unsolicited calls, texts or emails offering holidays at incredibly low prices.

Protect yourself;

- Whenever possible, pay for your holiday by credit card, as it offers increased protection.
- Always remember to look for the 'https' and locked padlock icon in the address bar before entering your payment details.
- Never feel pressured to make a booking for fear that you will miss out on this 'low price' opportunity. If you have never used the company before, take your time to do some online research to ensure they are reputable.
- Should you make a flight or hotel booking through a travel company, feel free to separately check with the hotel / particular airline that your booking does indeed exist.

If you have been affected by this, or any other scam, please report it to Action Fraud by calling 0300 123 2040, or by visiting www.actionfraud.police.uk

Be safe!
