NEW COUNCILLOR

Great Cransley Parish Council is very pleased to welcome a new Councillor, Andy Laker, who lives in Loddington Road. This brings the number of Councillors up to the maximum of seven allowed for this Parish.

VILLAGE HALL NEWS

The Village Hall Committee have welcomed three more committee members who joined them at the meeting in July. They are Jo Claypole, Carol Whalley and Julie Cox.

In the future the Village Hall committee meetings will be held on a regular day in each month for the convenience of members. This will be the 3rd Friday of each month, except December.

The Village Hall Hog Roast has MOVED to Sunday 15th September from 11.00 to 18.00. More details will be sent out, so save the date and come and meet your fellow villagers and bring the family.

Also available then will be updates of the Neighbourhood Plan. See you all there!!

NEIGHBOURHOOD PLAN

Great Cransley Photos Required.

In connection with the Village Hall hog roast on 15th September, a team from the Neighbourhood plan will be there, and would like to display photos or documents showing the history of Great Cransley. If anyone has anything they would be willing to lend, either in digital format or printed, the team would be very grateful, and promise to take great care of them.

Please email greatcransleyplan@gmail.com or let Jo Mowat know at Frank's Cottage, 2 Bridle Way. Happy to come and collect, ideally by 7th September.

Thank you, Jo

ANNUAL VILLAGE SHOW

This will take place in the Village Memorial Hall on Saturday 7th September.

Please think about what classes you could enter - fruit, flowers, vegetables, and many sorts of handicrafts. There are special classes for children too, ages 2-6 and 7-15. Parents could suggest they practice making something in the school holidays when they are short of something to occupy them!

There will be a Sunday lunch draw, refreshments and other attractions, and will be ending with an auction of produce at 4.30 pm, which is always great fun.

For more information, look at the leaflet that will have been put through your door, or if you've been missed, contact Richard Barnwell on 07885 431520 or Mandy Bussey on 07933434208.

STREET DOCTOR

Despite the Parish Council receiving information about FixMyStreet in May 2019, and a request that it was publicised if possible, more information has now been received which says 'do not tell anyone to use FixMyStreet direct'.

See instructions below from Northamptonshire County Council.

STREET DOCTOR USING FIXMYSTREET

Street Doctor is the Northamptonshire County Council brand for their public issue and defect reporting system and remains the brand that fronts FixMyStreet. We will not be changing this, as it is well known and established with customers.

Please advise all customers to use Street Doctor and direct them here in all communication.

<https://www3.northamptonshire.gov.uk/councilservices/northamptonshire-highways/roads-and-streets/Pages/report-highway-problem.aspx>

Please do not tell anyone to use FixMyStreet direct. Their report will not get to us, and they will not get feedback. NCC do not currently link to FixMyStreet directly. We are looking to implement this in the future.

We do not use any of our social media sites for public defect and issue reporting, but we do want to communicate using these channels. Twitter @nnhighways is great for informing people of roadworks and transport and highway services, but the purpose of the feed is not for reporting defects in need of our attention.

Our Twitter site @nnhighways it is not monitored 24/7, 365 days a week.

Any highway related issues or defects, which are in need of our attention, should be reported via Street Doctor, the Northamptonshire County Council public reporting system. Please do not try to report issues and defects on Twitter or on any other social media channels. By using the Street Doctor site your report will be logged appropriately, go to the right team and you will, if you request, receive updates of what we are going to do and why.

Ride & Stride
14th September 2019 – SAVE THE DATE**

Ride and Stride is an annual event organised by the Northamptonshire Historic Churches Trust. The Trust raises funds to make grants to churches of all denominations for their "preservation, repair and maintenance", and grants have been paid to our Benefice in previous years.

On 14 September 2019 churches in Northamptonshire will be open between the hours of 10.00 and 18.00. People of all ages are encouraged to visit them and to gain sponsorship for walking or cycling between them.

This event is an excellent way of raising funds for your own church as well as the Trust, as 50% of the money that you raise is returned to the church of your choice.

This year the walk coincides with Broughton's Village Show (with refreshments in the village hall); a church clean at the Church of St Andrew (between 10.00 and 15.00 hours), bell ringing and tower tours at the Church of St Andrew, Great Cransley (between 10.00 and 15.00 hours) and a Hog Roast event at Great Cransley Memorial Village Hall. People could turn the date into a family event and walk between the churches and enjoy refreshments and activities in Broughton and Great Cransley.

Our churches in Broughton and Great Cransley will be open for visitors between 10.00 and 16.00 hours and 10.00 and 15.00 hours respectively). Churches in Loddington, Thorpe Malsor and the Chapel in Broughton will also be open between the hours of 10.00 and 16.00 (see Four Spires Magazine for contact details). A full list of this county's open churches is available on www.nhct.org.uk.

This is part of a national event - so you could join in even if away for the weekend. Sponsorship forms are now available (paper copies or electronic versions) and can be obtained from:-
