

COMMUNITY DEFIBRILLATOR SEMINAR

The Community Heartbeat Trust will be demonstrating
the use of defibrillators
and explaining how the equipment works
and its benefits to the community in saving precious
minutes
in the treatment of sudden cardiac arrest

**This will be held in Great Cransley
Village Hall on
February 6th at 7pm**

The more people who know how to use the portable
defibrillator installed in our community, the more chance there
is of saving the life of a victim of
Sudden Cardiac Arrest

Everybody is welcome, and no special skills are required, just your
willingness to play an important role in the event of a medical emergency

NEIGHBOURHOOD PLAN

Winter Warmer Event

The Steering Group would like to thank everyone who attended the Winter Warmer Event. We had lots of fantastic feedback to the plan so far, and we will be collating and discussing all the comments, questions and suggestions raised and hope to publish some of these in our next newsletter. Thank you to Mandy Love, from Love Food, who did a brilliant job providing us with lunch, the soup was delicious (we ran out!), as was the chilli! Thank you for all the support provided by friends, families and businesses that made the event a success.

Housing Needs Survey

The Housing Needs Survey will have arrived with you by the time you read this. We cannot stress enough how important it is that all parish residents complete the survey. If you have lived in the village previously and had to move out, you can also complete the survey. All completed surveys will be anonymous. If you have any questions, or need additional forms for anyone you know who may have a need for housing in the village/parish, OR if you don't receive a survey, please contact the steering committee by email at greatcransleyplan@gmail.com

**Please complete and return by February 24th in the prepaid envelope provided.
