## BEST VILLAGE COMPETITION

The Councillors of Great Cransley Parish Council have decided to enter the competition again this year. It last entered in 2014 when it was highly commended. It is hoped that by then the Information Plaque explaining the Millennium Sculpture is in place. Councillors ask that everyone thinks of anything they could do to help, it is not just the appearance of the village but a sense of community and how residents help each other and join in activities that help.

## **CRANSLEY CHRONICLE DEADLINE**

The absolute final date for inclusion in the next month's Cransley Chronicle is at 5 pm on the 24<sup>th</sup> of each month (though December is often earlier due to Christmas shut down).

Please email your article, if you can, to Thelma Lacy on the following email:

**All articles must have a Title.**

## **MOBILE LIBRARY SERVICE**

Below is information received from Anne Lovely, who is the Strategic Development and Income Generation Manager for Northamptonshire Library and Information Services.

### **LIBRARYPLUS MOBILE LIBRARY SERVICE – IMMEDIATE WITHDRAWAL OF SERVICE**

As you will no doubt be aware, the public consultation around the future of the Library Service has included the deletion of the Mobile Library Service, and the service has been running as normal pending the final Council decision.

However, due to the age and the condition of the vehicle, there is a risk of incurring expensive repair work each time it goes out, and the recent spending controls imposed by the Director of Finance under Section 114 mean that we have had to withdraw the service with immediate effect. We will be contacting all existing Mobile Library customers individually to explain the situation.

We have also made arrangements for our Mobile Library Driver to continue to visit the mobile library stops for one last visit to see as many customers as possible. He will be stopping at the normal place at the normal time, but in a different vehicle, to collect stock from customers. If customers are not able to attend the last mobile library visit they can return any items to any of our libraries. All overdue charges will be waived.

Any residents who would like to continue to use the library service, but are unable to visit their nearest library, can be considered for home delivery through our Library to You service. They can either speak to our mobile van driver at his last visit, or contact their nearest library for further details.

More information on a planned expansion of the Library to You service will be announced in due course. I hope that this information helps address any related questions from residents, but if you have any further questions relating to the Mobile Library Service, please contact NLIS Feedback at [NLISfeedback@firstforwellbeing.co.uk](mailto:NLISfeedback@firstforwellbeing.co.uk).

## **BUS SHELTER CLEANING**

Thank you to those people who have recently joined the group of helpers on the rota, and of course those who have been helping for some time.

The busiest time of the year is the autumn when the leaves start to fall. There are now nine on the list so on a rota system no-one will be doing the tidying up on the same month each year.

## **THE HOLLYWOOD GLAMOUR BALL SATURDAY 24TH MARCH 2018**

Come along to this Charity Ball at the Red Lion in Broughton.

It is the annual fund raising event for the local preschool attended by children of Great Cransley. There is a three course meal, Michael Buble tribute act, raffle, disco and lots more - all for £20.

Tickets are available from Lisa in Loddington Road, telephone 07919 374681.

## **LENT IN ST ANDREW'S**

This month we continue to journey through Lent and will celebrate Mother's Day.

Another date for your diary! We will be hosting a family quiz night at the Village Hall on Saturday April 28 from 5 pm. Tickets will include a chip shop supper, and be available in church or from Andy's Cafe.
