BEST VILLAGE COMPETITION

As reported previously in the Cransley Chronicle, the Councillors of Cransley Parish Council decided to enter this competition again this year. The Council did well last time it entered and hopes to do even better this time. The application forms have been completed with ideas and help from villagers connected with the Church, Village Hall and Parish Council.

The judges will visit Great Cransley on June 4th in the morning. Please keep this date in mind and if you are able to make improvements when tidying up your garden, it will give a good impression of our village and will help the Parish Council with this project.

DEFIBRILLATOR

Councillors have met Martin Render from the Community Heartbeat Trust and they had discussions about many aspects of having a defibrillator in the village. He said the site of the telephone kiosk was very good. The trust would include insurance, training, battery, maintenance etc. in the cost. The Parish Council should be able to obtain funding from the Lottery Fund. Councillors were very impressed with all the information given and at the last Parish Council meeting a decision was made to go ahead with the project. Further updates will be given as the project goes ahead.

WATER PROBLEMS ON THE ROADS

The Parish Council is aware of the problems during the wet and snowy weather recently. The NCC Highways are involved in finding a solution to this.
